## IMPORTANT

Your PREMIUM REAR RACK EXTENDER KIT is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

## ASSEMBLY TIME

Approximately 15 minutes

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Install the rear rack extenders (LH ② and RH ③) to the rectangular rack extender ① using four screws ④ and nuts ⑤. Do not tighten screws at this time.

3. Remove four screws (A) from the rear and two screws (B) and associated nuts from the front of rear rack (C) as shown. Retain screws (A) and (B) for reuse. Discard nuts.

4. Install rear rack extender assembly on rear rack as shown and install four screws (A) removed in Step 3 to the rectangular rear rack extender ①. Tighten fasteners to specification.

### TORQUE

6 ft. lbs. (8.1 Nm)

5. Reinstall two screws (B) removed in Step 3 onto the rear rack extenders (LH ② and RH ③) from the bottom side of the vehicle as shown. Tighten fasteners to specification.

### TORQUE

6 ft. lbs. (8.1 Nm)

6. Tighten screws ④ and nuts ⑤ at this time to below specification.

### TORQUE

6 ft. lbs. (8.1 Nm)

### COMPATIBILITY

Premium rear rack extender kit is compatible with Gun Mount Kit (PN 2882272), but will not work with Storage Box Kit (PN 2882026).
